EXPERIENCE

Minnetonka Public Schools, Minnesota — *Teacher*

August 2017 - PRESENT

I teach 6th grade health. I am responsible for developing/delivering engaging and current lessons about overall health, conflict and problem solving, stress management, diseases, chemicals and human sexuality.

Primrose, Minnesota — *Teacher*

August 2016 - May 2017

I taught preschool where I was responsible for teaching 3 year olds about social interactions, listening skills and motor skills while fostering curiosity.

Hiawatha College Prep, Minnesota — *Teacher*

August 2015 - April 2016

I taught 6th grade mathematics. I collaborated with coworkers to analyze data to understand students' strengths/weaknesses and develop instruction targeted to individual needs based on results.

Duluth Public Schools, Minnesota— *Teacher*

August 2014 - June 2015

I taught 6th grade reading intervention. I was responsible for delivering student reading assessments and analyzing results. Using the data collected from assessments, I worked 1:1 with students to meet their reading needs.

EDUCATION

University of Minnesota, Minnesota — *Certificate, Coding Bootcamp*
